An updated summary outlining JDCC's plans for using our allocation of the education stabilization dollars follows:

JDCC's allocation is \$636,464. We are using this money for salaries and benefits. It will save three (3) faculty positions and two (2) staff positions for a total of five (5) positions for fiscal years 2009-2010 and 2010-2011.

JDCC applied for and received an American Recovery and Reinvestment Act (ARRA) competitive grant from the Health Resources and Services Administration (HRSA). The College is the prime recipient of this grant which was awarded September 5, 2010 in the amount of \$300,000. The grant is titled ARRA-Equipment to Enhance Training for Health Professionals, CFDA number 93.411.

The person at Jefferson Davis Community College who is responsible for tracking stabilization dollars is Marie Heaton, Director of Finance (ARRA Compliance Officer).
