# ~SPRING ONLINE CLASSES~

## NOTE: ALL ONLINE STUDENTS

You must contact your instructor via email by **January 11, 2017**, even if you attended the online orientation, to complete your enrollment.

Students may login to Canvas the first day of class. Attendance is verified by submission of an assignment during the first week of the term.

**PLEASE NOTE:** Some class require in-person, proctored exams. Some instructors may allow students who choose to take exams off-campus to use Proctor-U online proctoring service at their own cost. However, Proctor U is not a JDCC requirement for distance learning students, if you are new to the Canvas online management system used by JDCC, attendance at one of the online orientation sessions is required. More information on how or successfully navigate through CANVAS can be found online at <http://www.jdcc.edu/canvas/>.
