

604 APPOINTMENT AND ASSIGNMENT OF PERSONNEL

Source: SBE 620.01, Code of Alabama 16-60-111.4 and 16-60-111.7

1. The President shall appoint the faculty and staff according to qualifications approved by the State Board of Education and such other policies as may have been adopted by the State Board of Education.
2. A full-time consenting employee may be transferred from one college to another or from the Alabama Department of Postsecondary Education to a college, with the written agreement of both the transferring and receiving Presidents or Chancellor, and with the approval of the Chancellor. Transfer requests will apply only to positions for lateral moves and will conform to the Alabama Community College System Uniform Guidelines.
