

COASTAL ALABAMA COMMUNITY COLLEGE

Center For Professional Development

ACT Math Foundations:

9 Contact Hours \$100

Course Overview:

This course will cover the arithmetic, basic algebra, and basic geometry skills students need to be successful of the ACT. The ACT and other standardized tests have a heavy focus on word problems, causing even strong math students difficulty. This course will focus on evaluating word problems and determining the steps required to solve them. Major concepts covered include sequences, percent, probability, basic equations, and geometric figures. In addition to basic problems to teach the skills, students will be provided problems from official ACTs in each category to practice applying the skills. After this course, students will have an understanding of how to interpret and solve word problems.

Campus Minimum 10/ Maximum 25

Fairhope: Fairhope Public Library 2nd floor

Meets 3 times

October 31, November 7 & 14 Tuesdays 4:00pm - 7:00pm
