Total Hours		75 SH

Pastry/Baking Program Philosophy and Objectives

The Culinary and Pastry Programs are designed to afford the necessary skills and knowledge to its diverse student body for success in today's ever-changing business world by integrating general education, professional skills, and career focused education. To this end, these programs will provide excellence in faculty, service, curricula, and facilities to equip students with the theoretical and applied tools necessary to become contributing members of society and to realize gainful employment in professional fields with strong growth potential.

***Students planning to transfer to four-year degree will need to take a higher level math:**

Auburn University	MTH 115 - Pre-Calculus Algebra
University of Alabama	MTH 110 - Finite Math
University of South Alabama	MTH 110 - Finite Math
Troy University	MTH 112 - Pre-Calculus Algebra
