NURSING PROGRAM
APPLICATION
AND
INFORMATION
Dear Prospective Student:

Thank you for your interest in the nursing programs at Coastal Alabama Community College. Read this entire packet carefully as an application that does not meet all of the requirements is rendered incomplete and will not be considered for admittance. Admittance is based on a point system; therefore, it is imperative to pay particular attention to the point system. There is no waiting list.

To assist you in gaining successful entry into Coastal Alabama’s nursing programs, the nursing department offers nursing information sessions. Information session dates are posted on the college website under programs, then majors and departments, then nursing. You may list your 1st, 2nd, and 3rd choice for the campus you wish to make application, IF driving distance is not a determent. There is no transfer to other campus locations while in the nursing program except in extenuating circumstances as determined by the dean. We are pleased that you have chosen Coastal Alabama Community College’s nursing program to prepare you for a career in the nursing profession.

Sincerely,

Jean Graham

For Applicants Information:

The Alabama Board of Nursing will require applicants to answer the following questions when applying to take the licensure examination at the conclusion of a nursing program of study. A crime related to driving while impaired or while under the influence of any substance is not a “minor traffic violation.”
2. In the past five years, have you abused alcohol, drugs (whether legal or illegal, prescribed or unauthorized), and/or other chemical substances or received treatment or been recommended for treatment for dependency to alcohol, drugs (whether legal or illegal, prescribed or unauthorized), and/or other chemical substances?
3. Have you ever been arrested or convicted for driving under the influence of drugs/alcohol?
4. In the past five years, have you had, or do you now have, a physical or mental health problem that may impair your ability to provide safe nursing care?
5. Has the licensing authority of any state, territory, or country denied, revoked, suspended, reprimanded, fined, accepted your surrender of, restricted, limited, placed on probation, or in any other way disciplined your nursing and/or any other occupational license, registration, certification, or approval?
6. Is the Board of Nursing or other licensing authority of any state, territory, or country, including but not limited to the Alabama Board of Nursing, currently investigating you?
7. Is disciplinary action pending against you with the Board of Nursing or other licensing authority of any state, territory, or country, including but not limited to the Alabama Board of Nursing?
8. Have you ever been placed on a state and/or federal abuse registry?
9. Has any branch of the armed services ever administratively discharged you with any characterization of service besides “Honorable” and/or court-martialed you?
