PTK Shines at Convention; Inducts New Members

By Courtney Folsom

The JDCC chapter of Phi Theta Kappa attended the Alabama Regional Convention in Birmingham, AL, where it received many awards. The organization was awarded the

highest distinction for an active chapter by being named a "Five Star" chapter. Another distinctive award was the Pinnacle Award. The chapter received this award by increasing its membership by 10% over the previous year. In addition to the chapter as a whole being recognized, individual awards were also given out. Symantha Murphy was recognized as Alabama Region's Most Distinguished Chapter Member due to her active participation in all PTK does. Andrea King, Vice President of Leadership, was among Alabama Region's Most Distinguished Chapter Officers. Kristin Larrimore earned a place in Alabama Region's Most Distinguished Chapter Presidents. The club's advisor, Ms. Loletta Redmon, was also honored as she received two awards: the Horizon Award and the Paragon Award. These awards signify Ms. Redmon's ability to contribute

2008 JD Idol a Huge Success as Relay For Life Fund Raising Continues

Congratulations to the group "Soul Society," consisting of A.J. Daugherty, Tyler Green, George Arauz and Brandon Chambers, the new 2008 JD Idols! If you missed them performing, you should be able to catch them at this year's Brewton Area Relay for Life at the YMCA in Brewton on April 26. Thanks to all of our contestants, who, together with our winners, helped bring in total contributions of \$329 for all performances. Thanks also to everyone who contributed by donating their cash, time, and talent to this endeavor. The JDCC Honors Program will continue our fund-raising efforts after spring break. To date, with your help, we have raised over \$970 to benefit the Brewton Area Relay for Life. Thanks again!

to the growth of each chapter member as well as the chapter as a whole. Lastly, Allen Jeffrey Bell II was elected as the Alabama Regional Vice President of Service. Allen will represent the college and the state at each level of PTK events. He will also develop a Regional Service Project for the state of Alabama. It is an honor for one of JDCC's own to hold this position, so a special congratulations goes out to Allen! PTK also held its Spring Induction Ceremony on March 14 in the Neal Auditorium. Special guest speaker, Dr. June Serravezza, Educational Coordinator for the Citizens For a Clean Southwest Alabama, spoke about the group and its mission to prevent a large scale waste facility from being located in our area. The JDCC PTK chapter has been active in supporting this cause with volunteer involvement. New PTK members who were present were then inducted into the chapter by Chapter President Kristin Larrimore and Vice President of Leadership Andrea King. The chapter also recently raised \$242.00 at a car wash, so the past month has been a very busy one for PTK. The chapter thanks all who have supported them this year. Their next event is the International Convention being held in Philadelphia April 1-4. Good luck group!

The Jefferson Davis baseball team is in a bit of a slump as of late, winning only three of their last twelve games, and only one conference game in the last nine played. Although the Warhawks are struggling with the competition, they are still being led by Freshman shortstop, Cordaro Lindsey, with a batting average of .386; Freshman second baseman, Justin Reeves, with 20 runs batted in and 10 stolen bases; Freshman pitcher, Derrick Young, with an earned run average of 2.40; and by Sophomore pitcher, Robbie Carlson, with a total of 38 strikeouts. The Warhawks are currently ranked eighth in the division with a 7 – 8 Conference record and a 15 – 16 Overall record of play. The Warhawks have a game scheduled for Tuesday April 1 against Okaloosa Walton Community College at home with a game time of 1:00 p.m. This weekend the Warhawks travel to Alexander City, AL for conference play against Central Alabama Community College, who is currently ranked 4th in the division. The following weekend they play at home against Faulkner State Community College, who is currently ranked 6th in the division.

Lady Warhawks Softball Season Continues

By Amanda Pullen

Our Lady Warhawk softball team is now 10 - 22 and 1 - 5 in conference play. The team is preparing to make a charge in conference play with 18 conference games scheduled for the month of April. For that to happen, we players are determined to come out and establish ourselves and the things that we do well. Coach Nims has emphasized that if we had done so, there could have been a different outcome in several of our losses. In several games we had a chance to get some runs but couldn't get hits. "If you're swinging at balls and taking strikes, and if you don't play well against good clubs, you get beat," Coach Nims said. All in all, there have been some good wins, and we have maintained our competitive spirit. Staying focused and determined, the team is ready to begin April play with 12 straight conference games. Eight of the 12 games are played on our home field. "Just Do It," says Coach Nims. So come and support the charge as the Lady Warhawk softball team goes to battle to earn a spot to play in May at STATE!

A TRIO Achievers Reception will be held on Wednesday, April 16, 2008, from 2 to 4 PM in the ATN Center on Brewton Campus.
