## Habitat for Humanity: "Going Green"

By Angela Shoemo

JDCC's student involvement in the Habitat for Humanity project, which took place September 13-15, included JD volunteers ranging from PTK and Upward Bound students to the phenomenal JDCC baseball players. Along with these many student groups, there was a tremendous number of volunteers who pitched in to help build a beautiful Habitat for Hu-

manity "going green" home. The learning experience was amazing! We would like to take the time to thank everyone who volunteered, and especially Mrs. Alecia Glaize, who gave us the opportunity to participate in Habitat for Humanity. What is Habitat for Humanity? It is a Christian, non-government, non-profit organization devoted to building simple, decent, and affordable housing. Homes are built using volunteer labor and are sold at no profit. Habitat for Humanity believes that everyone has the right to live in a simple, decent home, and by building in partnership with those in need, they aim to eliminate poverty housing around the world. Due to the tremendous number of volunteers, Habitat for Humanity was able to build the beautiful "going green" home, which is located on Lovelace in Brewton.

We have a great 2008-2009 school year to look forward to at JDCC, and the students who will be held responsible for student activities will be the newly elected SGA officers. JDCC recently held elections for a new Student Government, and the newly elected officers on both Brewton and Atmore campuses are as follows : President: Brittney Rogers; Atmore Council Presidents: Amanda Kidd and Desha Bishop; Vice President: Rachel Bostic; Secretaries: Christina Askew and Raven McWilliams; Treasurer: Jasmine Stallworth; Sophomore Representatives: Codaro Lindsey, Clarence Moore, and Melissa Stephens; Freshmen Representatives: Markeisha Gill, Terrisha

Murphy, and Leigh-Ann Wiggins. Congratulations to all those elected! Not only can we look forward to what our newly elected officers will do, we can also look forward to many upcoming student events and activities. There will be two SGA meetings held this month, on October 7th and the 21st from 11:00-11:30 in the Faculty Lounge on the Brewton Campus. Also, on October 14th, the American Red Cross will hold a Blood Drive in the Student Center on the Brewton Campus from 9:00 AM until 1:00 PM. Everyone is encouraged to come. The SGA will also sponsor Relay for Life fundraisers, and the Haunted House that everyone looks forward to at JDCC will once again be held this year on October 29th and 30th.

# Baptist Campus Ministry Meets Weekly; Plans Mexico Trip

By Andrew Lambeth

If you are like most college students, you probably like two things: hanging out with friends and free food. It seems every Friday the Baptist Campus Ministry (BCM) is offering those things in abundance. According to the recent tally, about 120 to 130 students have been coming to the 10:45 to 11:20 feast the BCM has been having in the Brewton Campus Student Center. Also, each week members of the local band Soul Society and other musicians have been playing coffee house style music, creating a very welcome atmosphere to hang out in with 100 of your closest friends. Every Friday the BCM offers an opportunity to hear from a guest speaker who gives a short message on the faith, hope, and growth found in the Bible. The food is

provided each week by different local churches and ranges from fried chicken to pizza and barbeque. In addition to the weekly meetings of the BCM, there are currently plans being made to take a group of Jeff Davis students, faculty, and staff to Reynosa, Mexico. They will go to Mexico over JD's Spring Break, and, in ten days, build a house for a family who currently lives in a shack made of any discarded scraps of material (tin, cloth, wood, etc.) they could find. Also, while in Mexico the group will distribute shoes to the local children, and give away hygiene products and care packages provided by local doctors and dentists. The BCM is inviting anyone who is interested in going or has any questions about the BCM to contact BCM Director Andrew Lambeth at [stephen\\_lambeth59@jdcc.edu](mailto:stephen_lambeth59@jdcc.edu)

Jake Bondurant, former JDCC student and recent hurricane survivor, addresses BCM participants at an August meeting.

## JDCC Baseball Fall Season in Full Swing

By Donovan Coker

The Warhawks started off the fall season playing Bevill Fayette in three 6-inning games in Montgomery, AL. The Warhawks were able to take a victory in the first game; however, the team lost the second and third games. Although the Warhawks were coming off of a loss, they were ready to play against Holmes C.C. in the University of West Alabama Tournament the following weekend. Unfortunately, the game was called after a two hour and thirty minute rain delay after only one half inning of play. The Warhawks then went to Andalusia to play Lurleen B. Wallace. The game was played well by both teams; however, the Warhawks came up short of the victory in the final inning, losing 8-7. On Saturday September 27, the Warhawks played the Wiregrass Cardinals and were able to get the first victory of the season. The Warhawks have the PJC tournament ahead of them, playing against Alabama Southern and Gulf Coast on Oct. 2. The team then plays Enterprise-Ozark at home on Oct. 3, and Okaloosa Walton at home on Oct. 7. Head Coach Darrell Blevins states that the team works hard every day and that the players can sense themselves getting better and better every day. Please come out and support your Warhawk team and help cheer them on!

## Lady Warhawks Volleyball Season Continues

By Maggie Crutchfield

The Lady Warhawks Volleyball team has plunged hot and heavy into its season. The ladies have acquired three regional wins over Wallace State of Selma, but suffered tough regional losses to Southern State Community College and Lawson State Community College in close sets. However, the team will have a chance to avenge both losses at home later this month. Sophomore Jessica Johnson had this to say: "We've definitely come together this past month as a team. The rest of the season is looking really good for us. State, here we come!" There will be a surplus of home home games this month. Come out and support your Lady Warhawks!
